CHURCH WINERY

Matthew 18:20 “For where two or three are gathered in my name, there am I among them.”

A church is not just a building with pews and a pulpit. A church is a place where others gather together in His name.

We envision a church winery. A winery owned by a church that uses wine and olive oil as a tool to spread the gospel of Christ, educate on supporting Israel and voting biblical principles and meeting the physical needs of others, such as those suffering from poverty or tragedies.

It's Been Done Before

For centuries, monks in Europe had wineries owned by the church. The wine was used as a tool to sustain the monastery and meet the needs of others. Travelers were welcome to stay at the winery and were given food and wine. The monks would also provide meals and wine to the poor. It's not unconceivable to think they probably shared the gospel while sharing food and wine.

Our Vision

For there are three that testify: the Spirit, the water and the blood;
and the three are in agreement.
1 John 5:7-8

Our church winery will have the representation of all 3

- wine, represents the blood of Yeshua;
- Water represents water baptism, becoming a new person in Christ
- Olive Oil represents the Spirit

- Wines will come from Judea and Samaria, Czech Republic, Slovakia, Balkans and Michigan. (A Jewish winery in Samaria has already agreed to partner with us)
- Water will come from a deep mineral spring in Czech Republic.
- Olive Oil will come from Israel, Spain, Italy, & other parts of the world.

- Visitors to the winery are intrigued by the unique mixture of Christian and Jewish artifacts, faith-based pictures and scriptures throughout the winery.

- So they ask questions, opening the door to spread the gospel, educate on the importance of supporting Israel & voting biblical principles.
- Wine-tasters find themselves staying for hours just to listen and learn from Pastor Martin and other staff.

- Weekly services are held at the winery and posted for any visitors to attend

A Self-Sustainable Charity

- Most churches/charities are only sustainable by continued donations. If the donations stop, the charity dies.
- After initial implementation, the church winery will be self-sustainable and all further donations will go toward meeting the needs of others and expanding the ministry.
- The Winery eliminates the cost of fundraising.
- The Winery eliminates unrelated business income tax.

Since True Vine Revealed began in 2013, we have provided the following through a partnership in India:

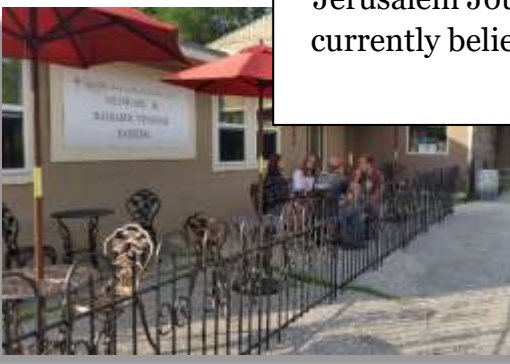

- Orphanages
- Churches
- Schools
- Medical Camps
- GenderSave
- Disaster Relief

We've supported the local community, those who face financial difficulties due to tragedies such as house fires, major illnesses or death in the family.

Most of all, we've spread the gospel and educated on the importance of supporting Israel and voting biblical principles to hundreds of visitors, olive oil and wine tasters.

We have been able to do this through support partners and the sales of wine, olive oil & water at our current location, 910 W. Buffalo, New Buffalo, MI. We also currently operate a news media ministry about Israel, from Israel called Jerusalem Journal (www.jerusalemjournal.net) and we are currently believing God to open a church winery location in Czech Republic this year.

Replication

We plan to replicate church wineries in Czech Republic in 2017, and future replications in Israel and other parts of the world where God opens the door.

Other ministries have already shown interest in replicating our concept by starting their own church wineries after our successful implementation.

Therefore, by joining our support team, you will have a part in spreading the gospel and meeting the needs of thousands all across the world.

I Samuel 30:24
“We share and share alike—those who go to battle and those who guard the equipment.”

Why Is It Needed

Matthew 4:4 Jesus answered, “It is written: ‘Man shall not live on bread alone, but on every word that comes from the mouth of God.’” (Deuteronomy 8:3)

Non-religious charities only meet physical needs, churches mainly meet spiritual needs. There are ministries that meet both, but most ministries don't have a physical place for people to go.

True Vine Revealed is called to church the unchurched.

People are searching. They are spiritually hungry for knowledge but it's very difficult to get people to go to the traditionally structured church these days.

But they will go wine and olive oil tasting at a winery. And at this church winery, they will be fed spiritually as well as generate funds to meet physical needs of others.

In our current location, we've witnessed hundreds of wine-tasters ask “why the Jesus stuff?” “Are you Jewish or Christian?” And then stay for hours, intrigued as we've taken the opportunity to share the gospel with them. Through experience, we can honestly say that wine, olive oil, & water are successful tools to minister to others.

About Martin & Katrina Dzuris

Martin was born and raised an atheist in communist Czechoslovakia and may be the only American to defect from communism twice in one life time. He holds a Bachelors of Science in Industrial Engineering and is currently the pastor and president of True Vine Revealed and co-owner of Promeny Olive & Wine with his wife, Katrina.

Martin and Katrina Dzuris have served as board members of a missions program based in India since 2000. They have traveled to India and served at the very orphanages, schools, and medical centers they support. Several years ago, they began a relief fund for those affected by natural disasters and began an outreach to bring Christians and Jews together in support of Israel. They have traveled to Israel twice to build this outreach and ordained Brian Schrauger as the co-pastor and president of Jerusalem Journal, a media based ministry of True Vine Revealed located in Israel. For the last 3 years, they have combined ministry and business to meet the needs of others in their current location in New Buffalo, MI and are expanding this church winery to Czech Republic this year.

Both are born again Christians. Martin came to personally know the Lord about 25 years ago, after defecting communism as an atheist and coming to this great Christian nation. Katrina has personally known Christ as long as she was old enough to understand and accept salvation.

Katrina grew up in Michigan and holds a bachelor's degree in Sociology and Psychology from Hope College. She has held social work positions, both secular and church related since she was old enough to hold a job. She has spent the last 14 years with the State of Michigan Children's Protective Services and the last 5 years in management.

For the last 3 years, Martin and Katrina have seen the spiritual hunger of those coming into the olive oil & wine store and have used their unique abilities to create conversations with customers that spread the gospel and educate on the importance of Israel and voting biblical principles. They use the tools of wine and olive oil to generate funds to help those in need both in the United States and in India.

God owns everything; You and I are His Managers

Everything you have was given to you by God. He has entrusted part of His wealth to you. It is your responsibility to bless others. As you bless others in the Lord, seeds will be planted that will reap a glorious harvest for the Kingdom of God!

Deuteronomy 8:17 - 18

¹⁷ Beware lest you say in your heart, 'My power and the might of my hand have gotten me this wealth.' Remember the Lord your God, for it is he who gives you the ability to produce wealth.

1 Chronicles 29:12a & 14b

¹² Wealth and honor come from you; you are the ruler of all things.
¹⁴ Everything comes from you, and we have given you only what comes from your hand.

Haggai 2:8

'The silver is mine and the gold is mine,' declares the Lord Almighty.

1 Corinthians 4:7b

What do you have that God hasn't given you? And if everything you have is from God, why boast as though it were not a gift?

Why You Should Get Involved

Proverbs 3:9 – 10

1 Timothy 6:17-19

¹⁷As for the rich in this world, charge them not to be haughty, nor to set their hopes on uncertain riches but on God who richly furnishes us with everything to enjoy. ¹⁸They are to do good, to be rich in good deeds, liberal and generous, ¹⁹thus laying up for themselves a good foundation for the future, so that they may take hold of the life which is life indeed.

Matthew 6:19-21

¹⁹“Do not lay up for yourselves treasures on earth, where moth and rust consume and where thieves break in and steal, ²⁰but lay up for yourselves treasures in heaven, where neither moth nor rust consumes and where thieves do not break in and steal. ²¹For where your treasure is, there will your heart be also.

WHY GET THE WINE FROM ISRAEL

Genesis 12:3 I will bless those who bless you, and whoever curses you I will curse; and all peoples on earth will be blessed through you.”

Christianity is a Jewish Religion. God has chosen the Jewish people to bring through them His Word, the prophets, the Messiah and the first church; all came through the Jewish people. Jesus (Yeshua) was a Jewish rabbi and all the first Christians were Jewish.

Israel is the only piece of land given to a specific people. Jerusalem is the apple of His eye and when Yeshua returns, it will be to Israel.

Israel is the only democracy in the Middle East. Israel is the only country that cannot self-determine due to the pressure from the rest of the world.

U.N. resolution 2334, passed on 12/23/16, does not only affect any business in Judea and Samaria, but also any business is located over the 1949 Armistice line, making many businesses in today's Israel a target. This resolution will empower the BDS (Boycott Disinvest & Sanction) movement and this will eventually extend to all of Israel, not just outside the Armistice line.

The same day they passed resolution 2334, the U.N. Human rights council approved funding for a black list of companies that do business with Israel.

I ask, then, has God rejected his own people, the nation of Israel? Of course not!

No, God has not rejected his own people, whom he chose from the very beginning.

And you Gentiles, who were branches from a wild olive tree, have been grafted in. So now you also receive the blessing God has promised Abraham and his children, sharing in the rich nourishment from the root of God's special olive tree.

WHY REPLICATE IN CZECH REPUBLIC

Statistics show that the Czech Republic is the most non-religious nation in the world today. In fact, it is the most atheistic, with 84 percent of the population denying the existence of God.

Despite disbelief, there is a surprising openness among Czechs to discuss and ponder issues of faith and spirituality.

Like Americans, Czech people view drinking wine as an opportunity to socialize. Although a church winery will be unique, it will not be that foreign of a concept to the Czech people. If they know anything about Jesus, they know He turned water into wine.

Therefore, Czech people are a perfect target to use the tools of wine, olive oil and water as a tool for ministering the gospel.

In 1948, Czechoslovakia voted in favor of the establishment of a Jewish state, and immediately recognized the State of Israel. Czechoslovakia was the only country to support the newly created Israeli state for several months with military aircraft, weapons and soldiers and the Czechoslovakian air force trained Israeli pilots. According to Israeli leaders of the time, without Czechoslovakia's support, there would be no state of Israel.

Czech Republic is now one of Israel's closest allies, frequently demonstrating strong support for Israel at the United Nations and within the European Union.

Finally, Martin grew up in Czechoslovakia, speaks the language and knows the culture, thus overcoming many common ministry barriers.

Did Jesus Drink Wine?

Without a doubt, Jesus did drink wine. His very first miracle was to turn water into wine (John 2:1-11).

Luke 7:33-34

For John the Baptist has come eating no bread and drinking no wine, and you say, 'He has a demon!' 'The Son of Man has come eating and drinking, and you say, 'Behold, a gluttonous man and a drunkard, a friend of tax collectors and sinners!'

Mark 14:23-25

Then he took a cup, and when he had given thanks, he gave it to them, and they all drank from it. "This is my blood of the covenant, which is poured out for many," he said to them. "Truly I tell you, I will not drink again from the fruit of the vine until that day when I drink it new in the kingdom of God."

Was the Wine Fermented?

It wasn't until 1869 A.D. that Dr. Thomas Bramwell Welch discovered a way to keep grape juice from fermenting for churches who didn't want to use wine in communion – thus the invention of Welch's grape juice. Fermentation starts within 5 – 10 days after the grapes are picked. So biblical people would have had to drink all grape juice within 5 – 10 days of the harvest in order to not have fermentation occur. The harvest is only 1 time of year – fall. Therefore, when Jesus and his disciples drank wine at Passover in the spring – when Jesus held up the cup of wine and said, "this is my blood, drink it in remembrance of me", it was fermented.

The First Church also Drank Wine

1 Timothy 5:23

No longer drink only water, but use a little wine for the sake of your stomach and your frequent ailments.

Colossians 2:16

Therefore no one is to act as your judge in regard to food or drink or in respect to a festival or a new moon or a Sabbath day

Romans 14:16-18

Therefore do not let what you know is good be spoken of as evil. For the kingdom of God is not a matter of eating and drinking, but of righteousness, peace and joy in the Holy Spirit, because anyone who serves Christ in this way is pleasing to God and receives human approval.

Romans 14:17

For the kingdom of God is not a matter of eating and drinking, but of righteousness, peace and joy in the Holy Spirit
